BEFORE THE NORTH CAROLINA BOARD OF PHARMACY

In the Matter of:	)	VOLUNTARY SURRENDER
	)	OF TECHNICIAN
Sarah Boone	)	REGISTRATION FOR CAUSE
Technician Registration No. 13321	)	

Sarah Boone was issued registration number 13321 by the North Carolina Board of Pharmacy on February 2, 2005, such registration being active until February 5, 2007.

Sarah Boone admits that while being registered as a technician at CVS, located at 5712 Castle Hayne Rd., Castle Hayne, North Carolina, she committed acts that give the North Carolina Board of Pharmacy ("Board") sufficient cause to revoke her registration. Considering that, Ms. Boone voluntarily surrenders her registration as a Pharmacy Technician in North Carolina. The surrender of the registration is made voluntarily and without pressure, coercion, or the threat of force being made against her. As a result of the voluntary surrender, Ms. Boone shall not be present in any pharmacy except as a customer with a valid prescription from a treating physician.

Ms. Boone understands and accepts that, at any point in the future, she may petition for reinstatement by submitting a request to the Board of Pharmacy, in writing. Upon a request for reinstatement, the Board will schedule a hearing at its convenience, which may or may not occur at the next regularly scheduled Board meeting following the request. There is no presumption, guarantee or other implication intended within this document that the Board will reinstate the registration. The decision will be made by the Board based on consideration of all available evidence presented at a formal hearing before the Board. The registration will not be returned until and unless the Board issues a reinstatement order after any formal hearing.

This the 20 day of June, 2007.
